## Registration Fee

Every new learner who joins Addnum Global School from Grade 1 upwards must write a diagnostic test to identify academic strength and areas of development. A date shall be given based on the availability.

A non-refundable Once off Registration fee of R800 is payable as soon as assessment feedback is given. Fees are billed in advance monthly.

They may be paid in full (12 months), biannual or monthly. Installments must be paid by the first instalment date. Should the parent choose to pay annual fees, payment should be made by the first instalment date. We reserve the right to charge late fees of R100 every day for any installments made AFTER the 03rd.

Continual failure to meet payments, this may result in the termination of the school place. In such cases, the parent remains liable for all outstanding fees. All sessions that have been booked
