# ABOUT ADDNUM

## WHO IS ADDNUM?

**ADDNUM** is an independent Academy of learning with unique and personalized teaching approach based in Birch Acres, Kempton Park (Gauteng Province of South Africa). **ADDNUM** has a three tiered learning center's comprising **Pre-School, Primary School & adult training & development**. Our resourceful small class size and use of technology aim to inspire learners to be creative & embrace their unique characteristics as well as providing opportunities to explore and learn about the world around them. We recognize that, today and in the future, all learners need to be principled, creative & critically literate in order to make informed decisions, communicate effectively and thrive in an ever-changing global community.

Even though we are not a remedial, but we are known for advancing students with learning challenges where other Schools or resources have failed. Our expertise and uniquely holistic approach enables learners to work at their own pace allowing them to progress according to their own abilities. We allow learners to grow and develop as unique individuals.

The success of our diversified offerings stems from the three legs of the pot master approach: **Personal Development, Innovative Project Based Education; Real life experience & practices**. We are also reliant on our diverse team of highly skilled and certified teachers, facilitators, assessors and moderators from different sectors with years of experience as subject experts.

Whether you are a kindergarten, student, working professional, stay at home parent, just looking to learn something new, **ADDNUM** has ultimate solution that is customized to meet your objectives and improve your future.
